Steps, Frequently Asked Questions (FAQ's):

Step One: Decide on your attendance

Your decision to attend is indeed an honor to your community and our program. Participants must submit their registration as soon as possible. Every year, this popular program's spaces fill quickly. Our San Diego Native Wellness tour accepts a small group of no more than 20 students. It is important we confirm our participants' placement. We are available to assist you with questions and with groups of 3 or more. Contact us at: tribalrelations@gmail.com

Step Two: Get your correct documentation together

Complete and return the registration form ASAP along with the non-refundable deposit of \$100. Once we receive your registration and deposit, we will notify you of your acceptance into the program. A confirmation packet and program details will be sent to you following receipt of your registration.

Step Three: Raise matching funds for the trip

There is a shared cost to participants, family or community due to current funding situations. Each participant is required to raise **\$800 to cover half the cost**. Total cost is over \$1600; *however*, current funding provided by Purdue University's Indigenous Earth Science Project, NARCH and other community contributions grant each student a \$800 scholarship to attend. This applies for students who submit their registration deposit by June 1, 2009. Program fee for registrations received after June 1, 2009 is \$1,000. Formal or informal requests to family members, community members, or Tribal Councils are the first place to start. **Please use your formal letter of acceptance as your proof of privileged participation.** If after making a sincere effort, you are struggling with this, please contact us ASAP. You have come a long way already; and we have faith that you can do anything. We want to help.

Step Four: Confirmation

Confirmation of your attendance is needed before June 1, 2009. At this time, you would need to have provided a non-refundable deposit of US \$100. If for some reason, you choose not to attend after making your final payment, you will be given travel credit (less the \$100 non-refundable deposit) with ITY to be used within one year. There will be another opportunity for you. Transportation to/from San Diego is not included in the Program Fee.
